FIELD ENTRIES!!!
ONE TIME PRE-SHOW OFFER!!!
SPECIAL OFFER FOR 2007 NATIONAL SPECIAL DVDS!

Gary Weitz of Purebred Studios will be videotaping our Show again this year. As a special incentive for Field Entries, Gary is offering to anyone who takes part in the field events at the 2007 National Specialty, and purchases at least one set of the Field DVDs, their own individual DVD of their dog working in the field. Gary has offered to put either a single dog entry or an entire kennel's entry on its own DVD for the owner of that dog. The individual DVDs will have both the water and land tests PLUS the Ribbon Awards. Just think how exciting it will be to show off your Curly when friends come over! You pop in the DVD and there is your dog in the field at the WC/X/Q tests. If you weren't planning on entering the field events, this is a great reason to do it this year! You'll have your very own star. Plus watching your dog on the DVD might help you with any training problems you might have as you'll see your curly in action.

This offer is good **for pre-sale orders only!** Once the national is over, you can't come back and ask for your individual DVD. The price of this great offer is \$15.00 for 1 dog or \$20.00 per DVD for multiple dogs of same owner. Most people will pay \$20.00 to \$30.00 just for a conformation picture! This is an entire DVD dedicated to your dogs. We will need 10 or more curly owners to sign up for this great deal to make it happen!

There will be order forms not only in the Commentator but also at the show in Racine and at www.ccrca.org. We will have the forms in the hospitality room and will even bring some out to the field. I hope to also have them on the ringside table at conformation and the performance events. If you need a form before the national, please email me at crlycoated@aol.com and I'll get one right out to you via email. You might want to order two of these great DVDs to share with the breeder of your dog.
